Hello Members,

I promise I'll try to make this my last e-mail for the day:

After learning that certain pages of proposal HA 01 were not printed for inclusion in the binders, I decided to review each proposal for the possibility of similar occurrences.

It appears that somehow, during the process of combining/printing the proposal PDF's, the last pages of a few proposals were lost.

The proposals listed below originally had attachments which unfortunately did not get printed for the binders – ***all attached PDF's contain all correct pages.*** Please make sure to review these items as well.

- [HA 01](#) (was only missing parcel list; addressed in earlier email)
- [HA 02](#)
- [HRE 01](#)
- [WA 03](#) (Attachments were also provided in earlier email Fwd. from Bill Penning)
- [PA 10](#)

Although I am confident that these are the only missing attachments, you may wish to use the documents available on the LSOHC website as those versions were not subject to printing errors.

Additionally, unlike in your binders, maps/etc. are in color which you may find beneficial. Please let us know if you have any other questions or concerns.

Happy Monday!  
Jacki
