Re: Mississippi Northwoods Habitat Complex Protection – ML 2012, Ch. 264, Art. 1, Sec. 2, Subd. 3(b)

Dear Mr. Titus:

Thank you very much for your expeditious reply and overview information regarding receipt of the "multi-use trail system" application for potential ATV trails upon the Mississippi Northwoods property. Also, thank you for describing the process being followed by Crow Wing County Land Services.

On behalf of the Lessard-Sams Outdoor Heritage Council, we will look forward to receiving further information and facts regarding this matter as the County's process progresses and will plan to incorporate that data for discussion within future Council meeting agendas. Besides the future information you may provide, if there are additional summaries, insights, discussion content or perspectives that you believe would also be advantageous to the Councils' discussions, please feel free to forward that as well.

Again, thank you for your clear and timely communication.

Sincerely,
